Urea/sulfa caps.
Vira-A equiv..
Vitamin ADE (Injacom).
Vitamin B-12 5000 u inj.
Vitamin K-1.
Yohimbine inj.

Any drug now off-patent is available in its pure-chemical state and can be compounded into the dosage form needed and flavored to order.

This is a listing for example only, it is not a list of products for sale. Many other items, combinations, and alternate dosage forms can be compounded. Compounds are prepared after an order is received. Most orders can be shipped same day.
